### Paragraph IV Patent Certifications As of December 1, 2003

The Agency is making available, on a trial basis, a list of drug products for which an Abbreviated New Drug Application (ANDA) has been received by the Office of Generic Drugs (OGD) containing a "Paragraph IV" patent certification. This list includes the name of the drug product, dosage form, strength (subject of Paragraph IV certification), and reference listed drug (RLD). The Agency will not disclose when the ANDA was received by the Office of Generic Drugs or the identity of the applicant. This information will be updated on a monthly basis and will be as current as the last update. This information should be used for reference only. The Agency will make every effort to ensure the accuracy of the information disclosed in this list. However, any discrepancies or disparities should be discussed with the Regulatory Support Branch at 301-827-5862, before making any decisions based on this information. **Additions to this month's list are in red.**
